

# Groundwater Management Area 9 Joint Planning Committee Meetings

## NOTICE OF OPEN MEETING

As required by Section 36.108(e), Texas Water Code, a meeting of the Groundwater Management Area 9 Joint Planning Committee, comprised of district representatives from the following groundwater conservation districts located wholly or partially within Groundwater Management Area 9: Bandera County River Authority and Groundwater District, Barton Springs/Edwards Aquifer Conservation District, Blanco-Pedernales Groundwater Conservation District, Cow Creek Groundwater Conservation District, Edwards Aquifer Authority, Headwaters Groundwater Conservation District, Hays-Trinity Groundwater Conservation District, Trinity-Glen Rose Groundwater Conservation District, and Medina County Groundwater Conservation District will be held on Monday, April 30, 2012, at 10:00 am at the Bandera County River Authority and Groundwater District, 440 FM 3240, Bandera, TX 78003.

### Discussion and/or possible action may occur on the following business matters:

1. Call to Order.
2. Receipt of Posted Meeting Notices.
3. Introductions.
4. Approval of October 3, 2011 Minutes.
5. Texas Water Development Board update:
  - a. GMA 9 and GMA 10 boundary changes,
  - b. TWDB March 1, 2012 Hearing on GMA 9 Trinity Aquifer DFC appeals,
  - c. Other TWDB comments or communications.
6. Setting of a workshop date to prepare a methodology and schedule for GMA 9 reviews of individual GCD Management Plans for achieving applicable Desired Future Conditions.
7. Report from GMA 9 Technical Group and discussion of Desired Future Conditions compliance monitoring strategies and methodologies.
8. Discussion and possible action on review of existing GMA 9 DFCs for the Ellenburger, Hickory, and Marble Falls aquifers and consideration of declaring them "Not-Relevant" for regional groundwater planning purposes within GMA 9.
9. Report from ad-hoc committee on how GMA 9 might best deal with current Chapter 36 GMA joint planning requirements, including consideration of potential current and future GMA 9 funding needs and sources, and proposed organizational options in the current and future planning cycles.
10. Reports on regional water planning activities by GMA 9 representatives to Regions J, K, and L.
11. Next meeting date, location, and future agenda items.
12. Announcements.
13. Adjournment.
