

ORDER NO. 146

HAYS TRINITY GROUNDWATER §
CONSERVATION DISTRICT §

AGREED ORDER: WIMBERLEY SPRINGS PARTNERS LTD.
PRODUCTION PERMIT

At its February 21, 2011 Board meeting, the Hays Trinity Groundwater Conservation District (District) Board of Directors, considered this agreement of the parties, resolving the applications of Wimberley Springs Partners Ltd. (the Applicant), for a production permit, from Well Registration No. 1508 (Doolittle), 1513 (Park Well) and 1511 (Section 25) located on the property of Wimberley Springs Partners Ltd. (the Property). Winton Porterfield, on behalf of Wimberley Springs Partners Ltd. and the District stipulate that:

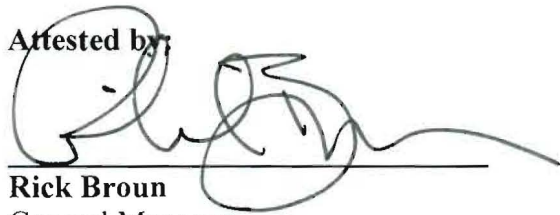

1. The Applicant applied for a production permit on the Property. The Applicant is seeking a total of 81,462,750 gallons each year for the 3-Year permit, and a one-time "Re-Growth" use of 81,462,750 gallons to be used following a calendar year in which rainfall has exceeded 32". The water will be used to irrigate two golf courses on the Property within three years. The Applicant intends to reduce the use of groundwater for irrigation by switching to irrigation with 80% effluent.
2. The Applicant has agreed to all District Rules and all Conditions within their **PERMIT # 168**
3. The District and the Applicant agree that the District has jurisdiction and authority to enter this Agreed Order and that the wells are under the District's jurisdiction.
4. The Applicant has agreed to avoid waste and achieve water conservation.
5. The Applicant has agreed to use reasonable diligence to protect groundwater quality

THEREFORE, the Board of Directors approves and issues Permit No. 168, which is made a part of this Agreed Order.

SIGNED AND ENTERED THIS 7th DAY OF March, 2011.
