

ORDER NO. 184

**HAYS TRINITY GROUNDWATER CONSERVATION DISTRICT
Hays County, Texas**

ORDER TO COMMENCE WATER CONNECTION AUDITS

WHEREAS, a Meeting of the Hays Trinity Groundwater Conservation District (HTGCD) Board of Directors was held on Wednesday, January 18, 2017 to discuss and review a water connection audit for permit holders within the HTGCD boundary; and

WHEREAS, the purpose of conducting a water connection audit is to confirm water connections made to HTGCD including any unpaid water connection fees owed to HTGCD ; and

WHEREAS, the HTGCD Board approved the commencement of a water connection audit instructing the General Manager to review all water connections submitted to HTGCD against water connection data managed by permit holders. The historical time period for the audit shall be for the past three years starting on January 1, 2014 and ending on December 31, 2016; and

WHEREAS, all unpaid water connection fees revealed by the audit shall be paid directly to HTGCD by the permit holder as owed fees within 30 days after discovery.

NOW, THEREFORE, BE IT ORDERED AND RESOLVED BY THE BOARD OF DIRECTORS OF HAYS TRINITY GROUNDWATER CONSERVATION DISTRICT, HAYS COUNTY, TEXAS, THAT:

- 1) HTGCD Staff shall commence a three-year historical water connection audit. Any unpaid water connection fees revealed shall be paid by the permit holder to HTGCD within 30 days after discovery. Any non-compliance with this ORDER shall be subject to penalty.
