

10-Day Public Notice: Driftwood

This notice is to advise the public that an operating permit application has been submitted to the Hays Trinity Groundwater Conservation District (HTGCD). At this time, the application is pending and not administratively complete. Cecilia Yeates is listed on the application as the permit contact person for Driftwood. The mailing address and the well's physical location are both list as 1905 Elder Hill Road, Driftwood, 78619. To contact the applicant call [512-842-6767](tel:512-842-6767) or email cyeates@driftwoodrecovery.com. The intended well's use, is listed as commercial. The submitted application is requesting 2.6 acre feet annually. Permit requirements include: mandatory drought cutback curtailments, water conservation plan, drought contingency plan, monthly with quarterly reporting, proof of public notice, well construction notification and installation and maintenance of totalizing flow meters. The public may submit comments to the HTGCD office by the ten-day deadline date, November 18, 2017. The deadline date starts upon the first day of the running of the applicant's published notice. All public comments will be reviewed prior to HTGCD staff recommendations. HTGCD will publish notice of staff recommendations including the twenty-day deadline date to submit formal contested case letters to the HTGCD office. The operating permit application is available for review on the HTGCD website www.haysgroundwater.com under Quick Links / Pending Permit Applications / Newly Submitted Permit Applications or is available for review at the HTGCD office, 14101 Highway 290 West, Building 100, Suite 212. Mail should be sent to HTGCD, P.O. Box 1648, Dripping Springs, TX. 78620, email to Manager2@haysgroundwater.com or call HTGCD [512-858-9253](tel:512-858-9253).
