

TCEQ Project Update

- On April 7th, the District received notice of the 'Dripping Springs Center' project. This project is located at 720 W. Highway 290. This project is described as the construction of a shopping center, with spaces for retail buildings and parking. The District is currently working on its response to the TCEQ.
- On April 10th, the District received notice of the 'Big Sky Ranch Phase Two' project. This project is located at Founders Park Road and Ranch Road 12. The Phase Two plan is described as a residential subdivision development. The District sent its response to the TCEQ regarding the project on April 20th.
- On April 24th, the District received notice of the 'RM 12 CSJ 0683-039-03' project, which is located along Ranch Road 12, south of Post Oak Drive. The project is described as a road improvement project, including features such as shoulder widening and safety improvements. The District is currently working on its response to the TCEQ.
