
10-DAY PUBLIC NOTICE

This notice is to advise the public that an operating permit application has been submitted to the Hays Trinity Groundwater Conservation District (HTGCD). At this time, the application is pending and not administratively complete. The mailing address is 13701 FM 1826, Austin, TX 78737 and well's physical address listed on the application, 13701 FM 1826, Austin TX 78737. To contact the applicant call 832-439-3738 or email rebecca@myreallife.org. The intended well's use is listed as, TCEQ public water supply.

The submitted application is requesting 1,189,215 gallons annually. Permit requirements include water conservation plan, user drought contingency plan, monthly quarterly metered reporting, and water availability study. The public may submit comments to the HTGCD office by the ten-day deadline date, February 27th, 2022. The deadline date starts upon the first day of the running of the applicant's published notice. All public comments will be reviewed prior to HTGCD staff recommendations. A secondary public notice shall include staff recommendations and a twenty-day deadline date to submit formal contested case letters to the HTGCD

office. The operating permit application is available for review on the HTGCD website www.haysgroundwater.com under Permits and Forms / Pending Permit / Newly Submitted Permit Applications or is available for review at the HTGCD office, 14101 Highway 290 West, Building 100, Suite 212. Mail should be sent to HTGCD, P.O. Box 1648, Dripping Springs, TX. 78620, email to gm@haysgroundwater.com or call HTGCD 512-858-9253.
