

HTGCD Notice of New Operating Permit – Middleton Brewing, LLC
10-Day Public Notice

A new operating permit application has been submitted to the Hays Trinity Groundwater Conservation District (HTGCD) by Middleton Brewing, LLC. At this time, the application is pending and not administratively complete. The operating permit application is available for review on the HTGCD website www.haysgroundwater.com under *Permits & Forms* and at the HTGCD Office at 14101 W Hwy 290, Building 100, Suite 212, Austin, TX 78737. The well's physical address is 101 Oakwood Loop, San Marcos, Texas, 78666. Carl Rabenaldt is listed on the application as the owner and person responsible for the permit. The applicant's contact information is (830) 310-0365 and carlrabenaldt@mbtx.com. The applicant is requesting 109,500 gallons of annual production total from a well in the Middle Trinity Aquifer. The stated use is: TCEQ Public Water System. Permit requirements include: water conservation plan, drought contingency plan, engineering plan, geophysical log, evidence of no comingling, flow meter and access tube installation, and monthly meter recording with Quarterly reporting. The public may submit comments on the application to the HTGCD Office through the deadline date of April 9, 2022. The deadline date starts upon the first day of the running of the applicant's published notice. All public comments will be reviewed prior to formation of HTGCD staff recommendations. A second public notice will be posted that shall include staff recommendations and a twenty-day deadline to submit formal contested case letters to the HTGCD office. Comments on this 10-Day Notice should be submitted by email to staff3@haysgroundwater.com or by mail to P.O. Box 1648, Dripping Springs, TX 78620. Due to postal delays, comment by email is recommended. Call the HTGCD office at (512) 858-9253 with questions.
