

**HTGCD Notice of New Operating Permit – My Real Life Church**  
**20-Day Public Notice**

Hays Trinity Groundwater Conservation District (HTGCD): 20-Day Public Notice of Permit Application. The operating permit application is by My Real Life Church, located at 13701 FM 1826, Austin, TX, 78737. The pending application is administratively complete. The applicant requests a 3.71 acre-foot permit to withdraw groundwater from the Middle Trinity Aquifer. The West Travis County Public Utility Agency surface water pipeline reaches the property. The stated use is Fire suppression systems and TCEQ Public Water System. District staff recommendation is a one-year renewable operating permit of 1.06 acre-feet for stated needs and conversion of rainwater harvesting system to serve all landscape irrigation needs. Permit requirements include: water conservation plan, mandatory drought curtailments and drought contingency plan, engineering plans, geophysical logs, water quality analysis, evidence of no comingling, flow meter and access tube installation, and monthly meter recording with quarterly reporting. The permit application is available for review on the District website, [www.haysgroundwater.com](http://www.haysgroundwater.com) and at the District office. The 20-day deadline for the District to accept formal contested case letters or written comment on the permit application is through Tuesday, April 19, 2022. To determine if you have standing to contest the permit, see HTGCD Rules, section 5.5 (at [haysgroundwater.com](http://haysgroundwater.com) > About HTGCD/Regulatory). Formal contested case letters should be mailed via certified mail to PO Box 1648, Dripping Springs, TX 78620. Written public comment may be emailed to [staff3@haysgroundwater.com](mailto:staff3@haysgroundwater.com) or mailed to the same PO Box. Call the HTGCD office at (512) 858-9253 with questions.
