

**HTGCD Notice of New Operating Permit –
Henly Baseball Complex
10-Day Public Notice**

A new operating permit application has been submitted to the Hays Trinity Groundwater Conservation District (HTGCD) by Henly Baseball Complex. At this time, the application is pending and not administratively complete. The operating permit application is available for review on the HTGCD website www.haysgroundwater.com under *Permits & Forms* and at the HTGCD Office at 14101 W Hwy 290, Building 100, Suite 212, Austin, TX 78737. The well's physical address is 7398 Creek Rd Dripping Springs, TX 78620. Josh Sanders is listed on the application as the owner and person responsible for the permit. The applicant's contact information is (512) 541-0119 and josh@walkoffsports.us. The applicant is requesting 1.914 acre-feet of annual production from a well in the Middle Trinity Aquifer. No public water utility reaches the property. The stated use is: TCEQ Public Water System for the Baseball Complex. Artificial turf is used on the fields. Permit requirements include water conservation plan, drought contingency plan, monthly meter recording with Quarterly reporting and more. The public may submit comments on the application to the HTGCD Office through the deadline date of October 1, 2022. All public comments will be reviewed prior to formation of HTGCD staff recommendations. A second public notice will be posted that shall include staff recommendations and a 20-day deadline to submit formal contested case letters to the HTGCD office. Comments on this 10-Day Notice should be submitted by email to staff3@haysgroundwater.com or by mail to P.O. Box 1648, Dripping Springs, TX 78620. Due to postal delays, comment by email is recommended. Call the HTGCD office at (512) 858-9253 with questions.
