

**HTGCD Notice of New Operating Permit –
Henly Baseball Complex
20-Day Public Notice**

The operating permit application submitted to the Hays Trinity Groundwater Conservation District (HTGCD) by Henly Baseball Complex is administratively complete. This permit was submitted before the Oct. 6, 2022 Board Meeting. The permit application is available for review at haysgroundwater.com under Permits & Forms and at the HTGCD Office at 14101 W Hwy 290, Building 100, Suite 212, Austin, TX 78737. The applicant requests 1.914 acre-feet of annual production (af/y) from a well in the Middle Trinity Aquifer. No public water utility reaches the property. The stated use is: TCEQ Public Water System for the baseball complex. Artificial turf is used on the fields. Permit requirements include a water conservation plan, drought contingency plan, monthly meter recording with Quarterly reporting, mandatory drought cutbacks, and more. Staff recommendation is a one-year, Tier 1, renewable operating permit of 1.914 af/y for stated needs. The 20-day deadline for the District to accept formal contested case letters or written comment on the permit application is through Tuesday, November 8, 2022. Information about filing a contested case letter is found in HTGCD Rules, section 5.5 (haysgroundwater.com under the About HTGCD tab, click on Management then click on Rules). Formal contested case letters must be mailed via certified mail to PO Box 1648, Dripping Springs, TX 78620. Written public comment may be emailed to staff3@haysgroundwater.com or mailed to the same PO Box. Call the HTGCD office at (512) 858-9253 with questions.
