

HTGCD Notice of New Operating Permit – Harmony Wood
20-Day Public Notice

The pending permit application submitted to the Hays Trinity Groundwater Conservation District (HTGCD) by Harmony Wood is administratively complete and is available for review on the HTGCD website www.haysgroundwater.com under *Permits & Forms* and at the HTGCD Office at 14101 W Hwy 290, Building 100, Suite 212, Austin, TX 78737. The application was submitted before the Oct. 6, 2022 drought stage moratorium on accepting permit applications. The well's physical address is 1140 Harmon Hills Rd. Dripping Springs, Tx. 78620. No public water utility reaches the property. The applicant requested 817,600 gallons of annual production total (gpy) from a well in the Middle Trinity Aquifer for a Community Water System for 8 homes in a Manufactured Home Rental Community with restricted outdoor groundwater use. Staff recommendation is 817,600 gpy for the community water system. Permit requirements include water conservation plan, drought contingency plan, monthly meter recording with quarterly reporting, and more. The 20-day deadline for the District to accept formal contested case letters on the permit application is 4pm Monday, April 24, 2023. Information about filing a contested case letter is found in HTGCD Rules, section 5.5 (haysgroundwater.com under the *About HTGCD* tab, click on *Management* then click on *Rules*). Formal contested case letters **must** be mailed via certified mail to PO Box 1648, Dripping Springs, TX 78620. Call the HTGCD office at (512) 858-9253 with questions.
