

HTGCD Notice of New Operating Permit – Fitzhugh Park, LLC
20-Day Public Notice

The pending permit application submitted to the Hays Trinity Groundwater Conservation District (HTGCD) by Fitzhugh Park, LLC is administratively complete and is available for review on the HTGCD website www.haysgroundwater.com under *Permits & Forms* and at the HTGCD Office at 14101 W Hwy 290, Building 100, Suite 212, Austin, TX 78737. The application was in process before the Oct. 6, 2022 drought stage moratorium on accepting permit applications. The well's physical address is 14510 Fitzhugh Road Austin, Texas 78736. No public water utility reaches the property. The applicant requests 2.0 acre-feet of annual production from a well in the Lower Trinity Aquifer for a public water supply for warehouse/office buildings. Outdoor irrigation is by rainwater only. Staff recommendation is a phased permit of 1 acre-foot annually (afy) for the public water system first phase of 10 buildings, and 1 afy upon completion of the second phase of 10 buildings. Permit requirements include water conservation plan, drought contingency plan, monthly meter recording with quarterly reporting, payment of all connection fees, and more. The 20-day deadline for the District to accept formal contested case letters on the permit application is 4pm Tuesday, December 19, 2023. Information about filing a contested case letter is found in HTGCD Rules, section 5.5 (haysgroundwater.com under the *About HTGCD* tab, click on *Management* then click on *Rules*). Formal contested case letters **must** be mailed via certified mail to PO Box 1648, Dripping Springs, TX 78620. Call the HTGCD office at (512) 858-9253 with questions.
